## **Repentance, Love and Kindness**

February is derived from the Latin word 'februa' – meaning to cleanse. It was named after Februalia, the Roman festival of purification, which was a month-long festival of purification and atonement that took place at this time of the year.

For Christians, February signals the start of the season of Lent – a time of reflection and repentance. These forty days are set aside to praise and worship God.

Ash Wednesday (this year on the 18th of February) reminds us that true worship begins with humility which leads to God's mercy. We are called to give ourselves wholly to God. God loves to cleanse and renew us, for his grace is so deep and powerful.

February is also known for Valentine's Day. This is a time when we send messages of love to those close to us, sometimes anonymously. However, there is nothing anonymous about God's love for us. He gave His Son Jesus as the Saviour of the world.

This month also includes the day of random acts of kindness (February 17th) when we are encouraged to show kindness and thoughtfulness to strangers. During Lent, as a church, we identify a local charity to support. We endeavour to support those who may need just a little more consideration or support at certain times in their lives. This is a central part of our Christian duty. Last year we chose Ability Dogs for Young People and this year we have nominated the Isle of Wight Youth Trust.

Should you wish to support our choice you can add your donation by using the card machine at St Edmunds Church which is open every day for prayer.

## Reverend Sandra Matthews

Many of our readers may not be aware that Wootton was without a priest for four and a half years. Towards the end of that period we worked with East Cowes (St. James) and Whippingham (St Mildred's) to form a new "plurality". i.e. a group of parishes sharing a vicar.

We worked with those parishes to draw up a parish profile (details of what goes on in each parish) so that we could place an advertisement for a shared priest.

Each parish detailed what it would be looking for in the new incumbent. We asked our congregations for their "wish list". The results included someone to develop our worship; someone to be a focal point and leader in the new plurality; someone who would develop and extend the many skills of our lay leaders which had grown during the interregnum; someone who would not come and "throw the baby out with the bathwater" or act as a "cork in a bottle" stifling individuals' talents; someone who was empathetic and showed a warmth in their working relationships; someone who could develop our work with children.

So, Reverend Sandra applied, was interviewed by a panel consisting of two representatives from each parish, and she was appointed. She was married to Roy, who was also a priest. "Two for the price of one"?

But how much of this criteria did Sandra meet?

Those who met her, worked with her and came to know her, realised she met **all** aspects of the wish-list. We considered her a Godsend.

She was housed in the Rectory in Wootton and as she took up residence no end of problems were identified in the building. Not a good beginning. Sandra shared her time with Roy ministering across the three parishes trying to meet the needs by doing things that only clergy are qualified to do. Fortunately, Wootton had developed a strong lay ministry which allowed Sandra and Roy to meet the needs of our neighbouring parishes.

Then tragedy struck. As Sandra and Roy were about to go on holiday, Roy was taken ill and died. Following time on the mainland sorting out family affairs, Sandra returned to the Island and continued her ministry. Then, as if she had not been challenged enough she had serious health problems. Again she continued her ministry. However her support systems and family were all on the mainland and she felt the need to be nearer to them.

So what did she achieve in her relatively short time with us?

She set us an example in how to trust in God regardless of the trials and tribulations that face us. She taught us to trust in the power of prayer. She encouraged all of us in developing whatever talents we may have. She was robust in ensuring we followed correct procedures. She demonstrated a love for all, and when she was aware of others' stresses, she arrived on doorsteps with flowers or cake, combined with loads of encouragement. She rose to the challenge of developing shared resources of the three parishes. We now have a greater understanding of how to move forward together.

It was Sandra's intention to be here for perhaps 10 years. God had other plans for her. In my view she achieved His purpose for us and has left us in a much better condition to do His work.

He has called her to the village of Swanmore, (the home of my ancestors). We wish her well in that new role and thank God for the time she spent with us.

*Sandra's leaving gift*

## Getting Fitter, In The Spirit

As I write this , it's an early January morning and the outside ground 'crackles' as you walk on it , due to the harsh ground frost we had the previous night.

By the time you read this, however, it will be February and Lent will be fast approaching with Shrove Tuesday (Pancake Day) on February 17th, and Ash Wednesday on February 18th.

As I mentioned around this time last year, Lent is the 40 day reflective period when many Christians around the World choose to either - give up a 'bad habit' (e.g. eating chocolate or drinking alcohol etc.) or take up a good habit (e.g. read the Bible more or pray more etc.). Both have the same aim; to bring more discipline into our lives and therefore draw us closer to God.

What I'd like to share with you are a few FREE apps that you might like to consider downloading, as they might help you have a deeper 'spiritual rhythm' to your life , which in turn would get you in better 'spiritual shape'.

(1) 5 mins a day - have the Bible read to you, and then listen to a very short explanation on how to apply the passage to your everyday life. There are several free apps that do this, e.g. Lectio 365 and Everyday Faith.

(2) 15 mins a day - have the Bible read to you, but don't have an explanation of the text. Being a longer time commitment, this means you will hear the entire Bible in one year. One of the places you can get this is through the Christian Radio Station called Premier Plus.

(3) 10 mins a day for 40 days - have the Bible read to you with a short reflection, but with the specific intention of getting a better 'life' balance between the physical, emotional, mental, and spiritual. To get this free app, download Everyday Faith and click on 'Life Giving Habits for Lent'.

Whatever you choose to do for Lent, I hope your 'give up' or 'take up' actually draws you closer to God and more richly into His love for you.

With every blessing,

Revd Sandra Matthews  
Rector  
East Medina Plurality

### Wintering

Trees significantly slow down in winter by entering a state of dormancy, similar to hibernation, to conserve energy and survive cold, dry conditions with less sunlight, slowing growth and reducing metabolic activity, deciduous trees lose leaves and evergreens by reducing activity but still photosynthesizing slightly. They attain this by producing hormones that initiate leaf drop (in deciduous trees) by suspending cell division, protecting vital systems until warmer weather returns.

I've been reading a book called 'Wintering' by K. May, it has some really helpful tips on how to manage the winter months of short days and the cold patches, it's especially helpful if you are someone who finds the winter months challenging and have darker moods and frustrations around being inside more often.

For some people of faith, "wintering" means embracing seasons of spiritual quiet, rest, and waiting, like hibernation, to deepen faith through reflection, prayer, and drawing closer to God, much like the natural world. In particular the trees rest for future growth, often involving slowing down, simplifying, seeking God's presence in darkness, and building unseen roots of belief until spiritual spring arrives. It's about trusting God's purpose in desolate times, finding spiritual nourishment in the Word, and recognizing it as a central period for unseen spiritual development, not failure, preparing for future fruitfulness.

Embracing a time of rest and recuperation is essential to humans; taking time to set aside the rush of it all.

We are offered a weekly Sabbath rest to refresh our spiritual lives, let us perhaps try and set further time to enjoy by putting worry aside and allow the season of winter to be a positive experience. Worry does not empty tomorrow of sorrow; but it empties today of strength - Corrie Ten Boom

*'Song of Solomon 2:11: "For behold, the winter is past; the rain is over and gone. The flowers appear on the earth, the time of singing has come, and the voice of the turtledove is heard in our land" (ESV), offering hope for spring's return.'*

It won't be long now, hang in there, spring is on its way!

### Spring Tidy Up

We are looking at this taking place on Saturday 25th April 2026 from 10am – 12pm. All are welcome - you can either tidy round your own street or come to the office where we will be coordinating the Clean-Up and give you an area to clean. Equipment is provided.

We also have equipment in the office if you wish to borrow it at another time. We really appreciate the kind residents that give up their time to help keep our village looking its very best!

### Annual Newsletter 2024/25

We have a Wootton Bridge Parish Council annual newsletter available to view on our website at [www.woottonbridge-pc.gov.uk](http://www.woottonbridge-pc.gov.uk) (under Agendas and Minutes). If anyone would like a hard copy, please pop into the office.

### Speed Watch 2025

In 2025, Wootton Speed Watch volunteers monitored almost 3,000 vehicles and the results are reassuring: 91.2% of drivers were travelling at or below 30mph, 5.47% between 31–35mph, 1.35% between 36–40mph, and only 0.45% exceeding 40mph.

Across the Isle of Wight between April and September, Speed Watch groups recorded steady levels of speeding, issuing between 42 and 114 first-time warning letters each month. 24 drivers were referred for a police visit due to high speeds or repeat offences. When a driver is recorded speeding, the police send a warning letter; after three recorded incidents (whether here in Wootton or by any Speed Watch group across Hampshire and the Isle of Wight) they receive a police visit. Very high speeds trigger an immediate visit. This joined-up network helps identify and address repeat speeders across the region.

### Village Survey

We will be updating you regularly regarding the results from the 2025 Wootton Village Survey. To begin with the village survey included 231 respondents, representing about 7% of Wootton's 2021 population of 3,387 (according to the 2021 census). Statistically, community surveys of this scale typically aim for a 5–10% response rate to achieve reliable results, meaning this survey sits comfortably within that range. The findings therefore provide a meaningful and representative snapshot of local priorities and how residents wish to engage with the Parish Council.

### Key Findings

Community Priorities

Local residents were invited to choose up to three key issues for the Parish Council to focus on in the coming year. The most frequently chosen priorities were:

1. Building a Toilet Block on the Recreation Ground (117)
2. Upgrade the Play Park in Recreation Ground (116)
3. Support Services for Children and Young People (86)
4. Support Services for Older/Vulnerable residents (84)
5. Support Litter Picking/Keeping the Village Tidy (74)
6. Campaign on Road Safety (60)
7. Environmental projects (e.g. tree planting or rewilding) (56)
8. Organise Community Events (like Party in the Park) (52)
9. Enhance Green Spaces (Planting Trees and Flowers) (48)
10. Provide more Public Seating or Bins (45)

This shows a clear focus on improving community facilities and local services, particularly the play park, toilets, and recreation ground.

*If you have any areas of concern, or want to report any incidents, please either visit the Parish Office in Brannon Way, or contact us by phone (01983 884555) or email [clerk@woottonbridge-pc.gov.uk](mailto:clerk@woottonbridge-pc.gov.uk)*

## Time

As a young child I understood Einstein's statement on the relativity of time.

That is NOT because I was a particularly bright child, but because I knew good things (like birthdays and Christmas) seemed to take a long time to come around — whilst unpleasant things (like school tests) seemed to come rushing around!

In the Bible we are told that all the 'times' of our lives are held in the loving hands of God.

God is the only One who looks at our lives and simultaneously sees its beginning, its middle, and its end, all at the same time.

This means that nothing about our lives ever comes as a shock to God, because He knows what's about to happen to us, and how we will respond to it.

When we are face big decisions to do with our life, such as our careers or our families, He already knows what we will do, because He is all knowing.

In the Bible, The psalmist wrote nearly 3,000 years ago (Psalm 139) "You Lord know me. You know when I sit down and when I rise up. Before even a word is on my tongue, you know it completely.

For You created me in my mother's womb. And all the days of my life were written in your book before one of them came to be".

And the author of Ecclesiastes at a similar time wrote (chapter 3),

"There is a time to be born and there is a time to die.  
There's a time to weep and a time to laugh.  
There's a time to mourn and a time to laugh.  
There's a time to grieve and a time to dance".

As I write this, it is a dark December morning, with Christmas still a few weeks away. But by the time you read this, we will have celebrated Christmas, and it will

be early February with spring around the corner. This is because Time does not stand still. Time is constantly moving us forward.

We can draw enormous comfort from the fact that God holds all our times and all the different parts of our lives, in His hands. His hands will hold us securely and safely whether our life is stable or wobbly; whether it is happy or sad; whether it is joyful or painful. He will hold us steady. Of course, the more you know Him the more you know the truth of that statement. But equally, the less you know Him, the less that statement will comfort you.

So how do we get to know Him? By asking Him to come into our lives and to show us. But have you ever done that? Have you ever sat down in a quiet place and simply said to Him "Lord God I want to know you - help me to know you". If you haven't, then why not do it right NOW?

If you do pray that prayer, God will come to you, and He will reveal to you what He is like, and as He has promised in Holy scripture, He will hold you through all the times and moments of your life. But God won't do that unless you ask Him to, because He has given you the free will to choose, to ignore, or to reject Him. The choice has been and always will be yours. But I pray you will choose to trust and to believe.

Every blessing  
Revd Sandra Matthews  
Rector of East Medina Plurality
