

St Edmund's
& St Mark's

Wootton Bridge

A very warm welcome to any visitors worshipping with us today! When you attend one of our services please use the time before the service starts for quiet prayer.

25th January 2026

At our Communion services those who are confirmed and those who normally receive Communion in their own church are invited to receive Communion. All are welcome to receive a blessing.

Volunteers Needed!

St Mildred's Church would like to invite anyone who may be interested in volunteering in the Coffee Shop and Church during the visitors season March to October 2026. For further information please email Careymorton@sky.com

Living in Love and Faith

The CofE's Living in Love and Faith (LLF) process has involved exploring the Church's approach to identity, sexuality, relationships and marriage over the past few years. It resulted in a General Synod vote which allowed Prayers of Love and Faith (public prayers of dedication and blessing for same-sex couples) to be said in church.

The House of Bishops has now set out its position as it prepares to bring the LLF process to a conclusion. You can read more about what has happened and download their formal letter to the whole Church at www.churchofengland.org/media/news

Prayer

Lord God, you make all things new.

Inspire our lives with your spirit.

Renew our prayer with your grace.

Transform our service with your love.

In the renewal of our life may your kingdom flourish and your church thrive so that all may come to know and love you in your Son Jesus Christ. ***Amen***

Ability Dogs 4 Young people

We have been supporting this Island charity by collecting plastic milk bottle tops, used print cartridges and stamps in both of our Churches. The charity are no longer accepting the plastic milk bottle tops, though, so these will be instead be passed on to a local business on the Island that recycles hard plastics. 'Patter Products' is partnered with Quarr Abbey, carving and crafting home decor from reclaimed wood from the estate and workshops, and now creates unique pieces using discarded plastics. They hope to set up island collection points soon.
