

Living Faith Module 3

Questions of Faith

will start by zoom at 7.30 pm on Friday 4th September

All of us have some questions to do with faith at some point in our journey with God. Even those with no belief will ask the difficult question about Christianity from time to time. This module seeks to begin an exploration through questions of faith towards a more illuminated view of God, and God's action in creation and salvation. By studying this module, you will learn about some of the greatest truths that have been forged from some of the greatest Christian thinkers.
